TIG reached new milestones with excellence in Technology Education and Placement of its around 5 Lakh students in many MNCs through Campus Interviews, for the past 26 years. Many Alumni of TIG are successfully placed with handsome pay packages.

ABOUT TECHNO INDIA HOOGHLY

Techno India-Hooghly has been established in the year 2005 at Chinsurah which is a renowned district town of Hooghly. It is affiliated to West Bengal University of Technology to run BBA(H), BCA, M.Sc in Information Science and MCA. This institute has earned a good reputation by providing technical education, sincerely and hence the students of remote district areas have also come to a conclusion that quality teaching even in technical field is also available at their doorsteps. Here we have used technology at its optimum to contribute our bit towards creating an erudite generation for now, and for the future.

It is under Techno India Group, which is the largest education group in Eastern India and one of the largest in the country. It is known and acclaimed for its intense passion and zeal in the creation and dissemination of knowledge for the needs of an emerging India. The Techno India Group has committed itself to this empowerment through its highly educated, skilled and long-standing team of huge number of acclaimed professionals.

We, commonly known as TI-H, are committed to maintain an academic environment where teaching-learning is enjoyable, where enough space is there for independent thinking and creative urge, where scope is there to cultivate and sustain the vitality of campus social and cultural life with honor. The best award we get is the smiles of our students and the proud faces of the guardians
